## CATHOLICS TO GIVE A DRAMA TO RAISE ORGAN FUNDS

Under the auspices of the Knights of Columbus and the choir of St. Joseph's Catholic church, a drama is to be presented at the Orpheum theatre on the nights of February 9 and 10. The drama will be given with a cast chosen from the ranks of the two organizations and the work of preparation will begin in the near future.

Raymond Ryan is chairman of the committee arranging for the affair and the play will be staged under the direction of Prof. T. Earl Pardee.

The play decided on is "The Senator," a college play in three acts, by Edward Bateman Morris. It requires a large cast and contains a lot of excellent entertainment. Among the features will be a college glee club, a ladies' quartette and a stringed trio.

The object in view in putting on the drama is to raise funds to pay off the balance of the debt recently incurred by the purchase of the \$11,000 Kimball pipe organ.

## PROGRAM OF THE CHRISTMAS ORATORIO

A Christmas oratorio, "The Prophet of Nazareth," is to be given in the First M. E. church Sunday evening at 7:30, by the choir, assisted by other talent. This is one of the delightful productions of that popular composer of gospel music, Charles Gabriel, and provides a most suitable evening service for the Christmas season.

As will be noticed by the program, it carries the theme of the coming of Christ the Redeemer from the joyous assurances of the prophets that God would redeem them, to the climax of praise for the redemption.

## HEAVY BOND FOR BADLOW AND GREEN

A brief session of the municipal court was held this morning. William Christy, a drunk, was given a five-day suspended sentence.

The case of W. D. Brown, the negro who stole some neckties from the clothing store of W. H. Wright & Sons company, was taken under advisement.

The cases of August Badlow and Sam Green, charged with assault with a deadly weapon, were continued to allow the defendants to procure witnesses. Both were placed under \$1000 bonds.

## BOBBY BURNS MIXED UP IN THREE NIGHT ROBBERIES

Robberies were reported this morning from the Seager grocery store at Twenty-seventh and Barlow avenue, and the A. Coop grocery at Thirtieth street and Childs avenue.

Two hammers and a screw driver were also stolen from a lineman's chest at the corner of Thirtieth and Grant. The hammers and the screw driver were found at the Coop grocery store, with a half-burned "Bobby Burns" cigar lying on the ground near them. The hammers on the back door had been pried off.

Cigars, candy and a little small change were missing at the Coop grocery and cigars were taken from the Seager store. After an investigation some of the officers inclined to the belief that all three burglaries were committed by the same persons and that they were young men.

"Bobby Burns" cigars were stolen from the Seager store and the finding of the butt of a cigar of that brand on the ground at the rear of the Coop store made one connecting link and the finding of the lineman's tools made the other.

Last night was the second time that "Bobby Burns" cigars have been stolen from the Seager store and Mr. Seager said, "No more of those for me."

## HUGE FIRES BUILT TO THAW THE SURFACE OF GROUND

The recent snow storm has been the means of checking progress in outdoor building in all parts of the city. The J. P. O'Neill construction company, however, is striving to complete a storm drain on Madison avenue from Twenty-fifth to a point near Twenty-third street.

Manager O'Neill states that he expects to complete the job within the next ten days even though he is working under disadvantages. The ground is frozen to a depth of 12 inches and in order to dig the trench, the ground is being thawed by huge fires built along the line. The fires cost the company 10 cents for every yard of dirt thawed out. There are 20 men at work on the job at this time at a point near Twenty-fourth street.

Work on the street paving on Twenty-fifth street, from Washington to Harrison avenues, has been discontinued for the winter, as there is no room for the storing of gravel for concrete work on the job at the corner of Twenty-fifth street and Quincy avenue. Something more than 1,500 loads of gravel have been placed at the concrete mixer plant for early spring work, when a large force of men and teams will be employed.

Paving on Twenty-fifth street will be an important feature of outdoor work in Ogden next year, as it is expected that the street will be paved from Washington avenue west to Wall, as well as from Washington east to Harrison.

## CHANGE OF NAME IN SUIT TO QUIET TITLE

In the case of Reese Howell against Sarah J. Brown, et al, Judge Harris has made an order permitting the plaintiffs to substitute the name of the Reese Howell company for that of Reese Howell, deceased, as of December 23, 1912.

This suit was instituted to quiet title to certain real estate now used as a highway to the rear of the Brown Hotel, just west of the hotel building. It was begun in the lifetime of the late Reese Howell and is now pending in the courts.

The defendants undertook to close the highway and the plaintiff commenced suit to quiet title, claiming an equity in the property by reason of an agreement entered into by Mr. Howell and Mr. Brown, both now deceased, a number of years ago. The plaintiffs own property joining the Brown hotel building on the north and it is contended that the highway leading from Twenty-fifth street to the rear of the buildings is owned jointly by the two parties.
